

Small Engine & Rental Equipment Technician

Clarenville Rentals | Clarenville, NL

Full-Time | Permanent

About Us

Clarenville Rentals is a locally operated rental business providing equipment and tools for a wide range of residential, commercial, and industrial needs. We are part of the Tucker Group of Companies, which also includes Newfoundland Distributors Ltd., Blue Water Marine & Equipment Ltd., and CBS Rentals.

About the Role

We are looking for a **Small Engine & Rental Equipment Technician** to join our team in Clarenville. This is a hands-on role responsible for keeping our rental fleet safe, reliable, and ready for customers.

Key responsibilities include:

- Repairing and maintaining rental equipment, including mini excavators, skid steer loaders, aerial lifts, compaction equipment, handheld equipment, and more.
- Diagnosing and repairing power tools, small engines, and other equipment as required.
- Performing routine maintenance and inspections.
- Assisting with general rental operations and equipment preparation.
- Performing other related duties as required.

Requirements

- Previous mechanical, small engine, equipment repair, or related experience is an asset.
- Strong troubleshooting and problem-solving skills.
- Ability to work independently and as part of a team.
- Willingness to learn — training will be provided.
- Must be legally authorized to work in Canada.
- A Criminal Record Check is required.
- Valid Class 5 driver's licence with a clean driver's abstract.

What We Offer

- Full-time, permanent position
- Competitive pay of \$22–\$28/hour, depending on experience
- Group benefits, including Health and Dental
- Company-matched RRSP
- Paid time off

To apply, please send your resume to hr@tuckergroupnl.ca. We thank all applicants for their interest. Only candidates selected for an interview will be contacted.
